Dr. Ashwina Mosakowski
Director of Curriculum & Instruction

Dear Parents and Guardians of Southeast Delco Students Entering Grade 7,

Thank you for your patience, flexibility and support as we navigated through the “new normal” of schooling and education in the Southeast Delco School District since March 16th due to the Covid-19 global pandemic. Summer is now upon us. As we work together to figure out what the re-opening of schools will be, we encourage students to continue to read over the summer while engaging in safe and fun activities.

Reading is a life-long skill that gets better with practice. Students who read over the summer are better able to keep up with their assignments once school starts in the fall. Outside reading is by far the best way to improve a student’s reading ability both in and out of the classroom.

Your child’s summer reading packet includes a grade level reading list and a reading log. All students are being asked to read two (2) books, but they are encouraged to read as many books as possible. It is recommended that each child choose one (1) fiction and one (1) nonfiction title. The list of suggested readings will be sent to the local public libraries.

The list of required readings will be sent to the local public libraries. Please encourage your child to read over the summer.

Enjoy your summer!

Sincerely,

Dr. Ashwina Mosakowski
